Why Choose Us

1 **Save Time & Money**

Class ON promises that at the price we offer you 80+ Features, monthly updates,service and support, if any compnay in india or around the world offer you school management software at the same price, we will provide you free school ERP software for life.So, you can use our software without any worries.

2 **Peace of Mind**

Our Promise to you our system is safe and can handle all your tasks smoothly. But if something goes wrong, our expert team is ready to fix it fast. If we can't solve the problem within 24 hours, we'll give you an extra month for free. Plus, with our reliable service, you can focus on what really matters - running your organization efficiently.

3 **Monthly New Features**

We promise you that every month, you'll get new features and regular updates. We believe in constantly improving because if we don't update ourselves, we'll fall behind. We think we are the first School ERP company in India that gives you something new every month, bringing fresh features and add-ons to your school.
